REVOLUTION IS IMMINENT

Brazilian Government Is Said to Have Discovered Plot to Precipitate Civil War.

STEAMER GOING WITH GUNS

Sailed From La Plata With 450 Men and Six Krupp Guns—An Official of the Leader of the Rebels.

New York, Aug. 10.—A dispatch from Asuncion, Paraguay, says the government has discovered, according to the Herald's Buenos Ayres correspondent, a plot to proclaim a revolution on the arrival of the steamer Sajonia which sailed from La Plata on August 4. The government has made many arrests in connection with the case, and has proclaimed martial law. The Argentine minister in Asuncion and the Paraguayan minister in Buenos Ayres have requested the Argentine government to detain the Sajonia, but it is believed the steamer already is beyond Argentine jurisdiction.

Investigation has disclosed that the Sajonia is carrying 450 men, among them being several alleged Paraguayan officers. There are also six Krupp guns on board.

Elias Garcia, alleged to be chief of the expedition, has had an important post under the present administration. Although a Paraguayan citizen, he is now police commissary at La Plata.

WORLD'S FAIR MORTGAGED.

Art Palace at St. Louis Exposition Pledged for Security.

St. Louis, Aug. 10.—The board of directors of the world's fair have ratified the form of bond filed recently by the president and seven other directors for the restoration of Forest park, after the fair.

The city council approved the bond on July 29, when eight of the directors of the world's fair appeared before the municipal body and pledged themselves to the extent of \$100,000 for the restoration of the park. The total amount of the bond accepted by the city is \$550,000.

As surety for the amount of the bond the exposition gave a mortgage on the palace of fine arts and all its fixtures and appurtenances. The art palace is a permanent building of Bedford stone and is valued at \$1,000,000. In the event that the park is satisfactorily restored, the mortgage on the art palace is to be void.
